

WELCOME TO WESTWIND HOUSE

The community at Westwind House is the perfect mix between the great amenities and resources of a large community, and the “small town” feel that encourages involvement and friendship among residents.

This community is unique in that it is a one-story U-shaped community with 45 residents. Westwind House offers a secure, healthy, and intimate environment where family members of all ages are welcome. All visitors and residents are invited to participate in everyday activities.

Westwind House prides itself on helping each resident to maintain their independence. We offer a range of programs, activities and services to keep our residents active and engaged.

There is no buy-in fee and our leases are month to month. Our pricing is all-inclusive. No end of month surprise up-charges for care. We invite you to compare!

INDEPENDENT LIVING

At Westwind, we pride ourselves on a setting that lets each resident maintain independence. Our community is large enough to have the professional amenities of larger options, while still offering a homey feel, and support 24 hours per day.

Our Independent Living community includes studio and one-bedroom apartments that allow for companion or solo living. All residents have the freedom to make the space their own and maintain their own privacy.

INCLUDED AMENITIES:

- Three delicious homemade meals daily, plus scheduled snacks
- 24-hour emergency call system
- 24/7 staffing
- Housekeeping and laundry services
- Activities, outings, and exercise programs
- Transportation to and from outings and appointments
- TV/Basic cable

We offer a variety of floor plans for independent living, and competitive pricing, which gives residents the freedom to make the place truly their own on a more affordable budget that works for them and their families.

ASSISTED CARE LIVING

Assisted living is generally the first, and best, option for seniors who can't perform daily activities on their own anymore. An assisted living community provides quality, caring, trained staff to help with basic care, such as:

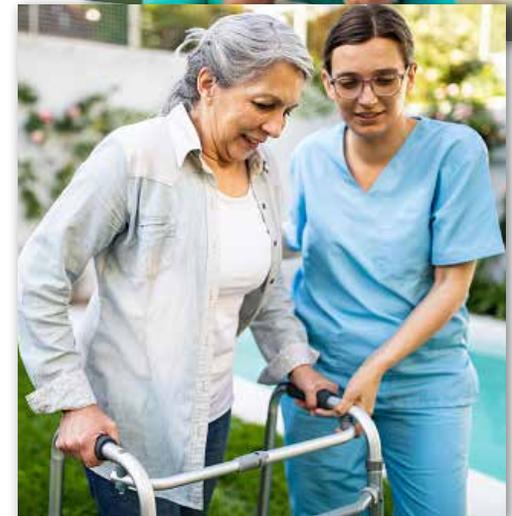

- Assistance with medication, including reminders and supervision
- Health monitoring, including daily health needs
- Help with personal hygiene, including bathing, dressing, and grooming

The real value is in working with a staff who understands where a resident needs help, and where they don't. This way, residents get the care they need while maintaining the independence they want. We create a care plan, tailored to each individual.

At Westwind House, all residents have access to delicious on-site dining, their own living space, and options for events, socialization and activities.
